Child Evangelism Fellowship® of Maine, Inc.

Dear Friend,

Our Lord is blessing our *Good News Club*® ministry. Children are learning of Him; children are coming to know Him as Savior; and children are learning to walk with Him. Over 100 boys and girls have made professions of faith in our Lord Jesus during the course of this ministry year, one of those children is a young boy in a neighborhood very close to *Camp Good News*®.

A couple months ago, Sarah Brown asked if she could use the camp dining hall on Monday afternoons for a *Good News Club*. Of course the answer was an enthusiastic and thankful “YES.” Last week she shared with me the testimony of that boy I mentioned above. That is why we are in this ministry, and I know that is why you pray and give. Thank you for doing so.

I also learned last week of two more kids right in the neighborhood who will be coming to camp this summer—it will be their first time to attend anything like a Bible camp. We are reaching many children, but just like those kids, I mentioned above, they are all individual boys and girls for whom our Lord Jesus Christ was crucified, buried and rose again to provide for their salvation. They need to hear the gospel, and we are able to bring that life giving, life changing, and life sustaining message to them, because of your prayers and your financial help. Again, thank you, and may God bless, for this is His work, and those are His children. “*Even so it is not the will of your Father which is in heaven, that one of these little ones should perish*” (Matt. 18:14).

‘Til Every Child Knows,

John Romano
