Child Evangelism Fellowship® of Maine, Inc.

Dear Friend,

Another year has come and gone, and we are that much closer to our Lord's return. I do not know when that great event will take place, but I know that it is nearer today than it was yesterday. And I know that the Word of God challenges us to live with an understanding of our limited time: *"But this I say, brethren, the time is short, so that from now on even those who have wives should be as though they had none, those who weep as though they did not weep, those who rejoice as though they did not rejoice, those who buy as though they did not possess, and those who use this world as not misusing it. For the form of this world is passing away"* (I Cor. 7:29-31, NKJV).

I want to make the most of that time which God has entrusted to me. For me, that means a renewed commitment to the ministry that He has called me to, and placed me in. I am thankful for the work of *Child Evangelism Fellowship* here in Maine. I am thankful for the way in which our Lord has blessed us and made us fruitful. I am thankful for the tremendous resources He has provided for us. I am thankful for all of you that He has called to join us by way of giving, praying and serving. We are blessed beyond measure.

Thank you for allowing us to share with you in this great work of bringing the gospel to the children of Maine. Thank you for your gift. Thank you for your generosity. God is using us. Children are hearing His word, they are trusting our Lord Jesus as Savior, and learning to walk with Him. Through November, 44 children had made professions of faith in Christ through our *Good News Club*® ministry. This is "fruit that abounds to your account."

"The time is short." Thank you for helping us redeem this time. Pray that we will continue to see God's blessing upon our work throughout this year, or until He returns.

'Til Every Child Knows,

John Romano
