Child Evangelism Fellowship® of Maine, Inc.

Dear Friend,

I think June is the most important month on our *Child Evangelism Fellowship* calendar. It is the month that we conduct *Christian Youth in Action*® training school. Approximately 100 high school and college age young people will arrive at *Camp Good News*® on June 24th, for ten days of intense teacher training, and training in how to share the gospel with children. These ten days include classroom instruction, chapels, and on the job training as we go out into the surrounding communities to teach 5-Day Clubs, do open-air evangelism, and distribute gospel literature from house to house.

For many of these young people this ten days will be life changing. They will be disciplined in the Word of God, and they will get a good taste of what it means to serve the Lord, as an ambassador of Jesus Christ, bringing the gospel to a world that is perishing.

Paul wrote these challenging words to Timothy, his son in the faith: "Let no one despise your youth, but be an example to the believers in word, in conduct, in love, in spirit, in faith, in purity" (1 Tim. 4:12, NKJV). It is a great privilege, and a tremendous responsibility to have a part in discipling the young men and young women that God has entrusted to us. Our heart's desire is to see them become "examples" to the believers of today, just as Timothy was challenged to be an example to the believers of his day. I truly believe that God will do a great work among His people through the youth that we are training today.

Over half of our *CEF* staff in Maine grew up as teens in our *CYIA* training school. I trust that our God will continue that good work in the lives of our current young people. As a staff, we could not make the investment needed in those young people, without the investment you are making in *CEF* through your prayers and your gifts. Thank you and may our God bless you abundantly.

'Til Every Child Knows,

John Romano
