Child Evangelism Fellowship® of Maine, Inc.

Dear Friends,

Thank you for giving to the ministry of *Child Evangelism Fellowship®*. Your support was vital to the full and fruitful ministry God blessed us with throughout this school year. Good News Clubs, winter camps, rallies, fairs and various other outreaches, are just about complete for this year. We are now busy preparing for the summer. Our *CEF®* ministry year ends on August 31. Between now and then we will reach a lot of children in our summer ministry. Summer ministry is intense, demanding, rewarding and very fruitful. Please keep us in your prayers. God's grace, God's sustaining strength, and God's great wisdom are needed daily, but especially throughout the summer months.

Throughout May and into June a great deal of preparation needs to take place here at our state office, at *Camp Good News®*, and in each of our chapters. Programs need to be completed, properties need to be readied, and more volunteers need to be recruited.

The end result is worth much more than all of our combined effort. I just read the testimony of a young teen applying for our *Christian Youth In Action®* training school this June. She trusted the Lord Jesus as her Savior last summer at *Camp Good News*. This summer she will learn to serve Him at *CYIA™*. I cannot tell you how rewarding it is for me to think about the impact *Child Evangelism Fellowship* has had and will have on that young lady, and upon so many others.

Your support is crucial to the work God has entrusted to us. We thank you, and we thank God for you. The fruit that God blesses us with is fruit that abounds to your account. Thank you and God bless you.

'Til Every Child Knows,

John Romano
