

Child Evangelism Fellowship® of Maine, Inc.

November, 2016

Dear Friends,

As I write this on a beautiful November morning, I am reminded of all the *Good News Club*® ministries that have begun all over our state. *GNC*'s are tremendous opportunities to teach the Word of God to children in an ongoing ministry. It is a great blessing to be part of their discipleship and to watch them grow in the Lord. I am grateful for the part that *GNC* played in my life as a child and I can still recall some of the many godly lessons I learned. Verses like *“Trust in the Lord with all your heart, and lean not unto your own understanding, in all your ways acknowledge Him and He shall direct your paths”* (Prov. 3:5), are etched in my mind and have been an encouragement to me since childhood thanks to the teaching I received in *GNC*.

Now many years later as our world changes and life brings new challenges, God's Word still remains faithful and true. *“The grass withers, the flower fades, but the Word of our God stands forever”* (Isa. 40:8). I am encouraged to know that another generation of children have the opportunity to grow in the Lord through *GNC*. It is our prayer that God would bless the churches, homes and schools where these ministries are being held. We are asking that God would open up the doors to begin new clubs that many more will know Him.

Please pray with us for the teams of teachers and volunteers involved in teaching dozens of clubs, that as they present God's Word to the kids, by God's grace He will bring another generation to Himself.

Thank you for supporting the ministry of
Child Evangelism Fellowship.

In Christ,

Alex
