Child Evangelism Fellowship® of Maine, Inc.

Dear Friends,

I love this time of year. The apples are ripe and delicious. I keep a bag in my car throughout the autumn months. Our family enjoys a day at the Fryeburg Fair, and of course we all enjoy the spectacular display of color that God has so richly blessed us with.

Just as the season is changing, so is our ministry. A rich, fruitful, and tiring summer is now gone. Kids are back in school, and *Child Evangelism Fellowship* is also back in schools, all across our state. The summer harvest was plentiful, and we are praying that this school year will also see much fruit.

We have been in various fairs throughout the summer and into this fall. Fryeburg is going on as I write this note. One of our workers was sharing the gospel with a boy and his mother. When he stated that God created us, and all that we see, that mother immediately stopped the presentation, and took her child away. On that same day, another child about the same age as the first, heard the gospel and trusted out Lord Jesus as his own Savior from sin. It is sobering to think of the eternal consequences involved in those two different decisions. I am thankful we are there to share the gospel with all who will hear.

We are at Fryeburg, we are in the public schools, and wherever else our Lord opens the door for ministry, in large part because you folks pray and give. Please continue to intercede on behalf of the children of Maine, and for the work of *Child Evangelism Fellowship*. And please continue to give, for God is using your prayers and your gifts to further the work of the gospel here in Maine—and beyond.

We thank you, and we thank God for you.

‘Til Every Child Knows,

John Romano
