OF MAINE

*Child Evangelism Fellowship® of Maine, Inc.*

Dear Friends,

Thanks for your generous gift to *Child Evangelism Fellowship*. We are certainly blessed to be the recipients of your generosity, and yet Scripture is very clear, that "it is more blessed to give than to receive" (Acts 20:35b, NKJV). I hope that you see His blessing upon your life, as you give to Him.

September 1<sup>st</sup> began a new fiscal year, and a new ministry year for *CEF* of Maine. Soon I will have reports from all over the state concerning last year's ministry. I believe we had a fruitful year. I know we had a good year at *Camp Good News*®; I was here all summer to see first-hand what God did in the lives of campers and staff.

I am remembering cousins who were able to be campers only because others cancelled. It always amazes me when those kids are the ones who come to know the Lord Jesus as Savior - that was the case with these kids. Some would call it a coincidence, but we rejoice in the wonderful plan of God. He brought those kids here, that they would hear the gospel, and have the opportunity of trusting the Savior.

God worked in the hearts of campers, and in the hearts of staff. I received a note from a young teen, thanking us for the privilege of serving, and for all that she learned, and how she grew during those weeks of service.

One of the great impressions left upon my heart from this past summer is just how much kids, teens and adults love *Camp Good News*. For some, camp supplements a good home and a good church; for many others camp is the only place where they can learn and play and grow in the Lord, in a safe and happy environment. I am so thankful that God has provided this special place for so many, and I am so thankful to be a part of His work that happens here. I know that God has provided all of you who give and pray in order for our ministry to take place. I truly hope you are blessed indeed as you give to Him.

'Til Every Child Knows,

John Romano
