Child Evangelism Fellowship® of Maine, Inc.

Dear Friend,

Thank you for your gift, and for your partnership with us as we bring God's Word to the children of Maine. His promises are sure and certain, and precious to us. Concerning the ministry of His word, He has clearly spoken: *"It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it"* (Isaiah 55:11).

God's Word went forth to children from all around Maine and beyond, throughout this past summer. And God prospered His word in the lives of boys and girls, and people of all ages. I do not have full reports yet from our local chapters, but we will be sharing those statistics with you in our fall newsletter. Here at *Camp Good News®*, God blessed us with the largest ministry we have had in a few years. We were full nearly every week, and our teen week was our largest ever. God also blessed us with "much fruit." I know that you also prayed for that fruit, and our Lord answered with abundance. Sixty children that we know of trusted our Lord Jesus as their own Savior; many others received assurance, and a good number of teens and children made commitments to yield their entire lives to our Lord.

On the very first week of camp a little girl who lives just around the corner from us trusted the Lord as her Savior, and was pleased to share that testimony with all of us. That same week the grandmother of a couple of our campers also trusted the Lord as her own Savior from sin. She also was pleased to stand and share that testimony with the entire camp.

The summer started with fruit, continued with fruit, and ended with fruit. We thank God and we thank all of you who also participated in the bearing of that fruit.

'Til Every Child Knows,

John Romano
