Child Evangelism Fellowship® of Maine, Inc.

Dear Friend,

“Finally!” That was the one word spoken by a little girl in Waterville when a group of *CYIA*’ers came to her house with a “Meet the King” booklet. It seems that many of her friends had already received a booklet a day or two before. Our young people and their supervisors passed out over 1,300 “Meet the King” books from Monday through Thursday, as we sought to reach as many homes as possible in Waterville, with the Word of God. Seventeen individuals, mostly children, came to know the Lord as their Savior during the course of that four day door to door outreach.

God blessed us with a great “*Christian Youth in Action*®” training school. He worked in the hearts of staff, students, and the many children reached during the course of those ten days. And now we are in another week; *Camp Good News*® is in full swing, and ministries all over Maine will begin in just a day or so, some, such as the Houlton Fair ministry have already taken place.

Kids from all over Maine will hear the gospel, some for the very first time. Those ministries would not take place without all of you who give and pray. Thank you! And thank you again. I cannot thank you enough. All of us who are serving this summer thank God for His faithful provision, through your generosity. There will be much fruit that abounds to your account as children come to know our Lord, and learn to walk with Him.

I count it a great privilege to be at *Camp Good News* all summer long, ministering to boys and girls; and to do so united together in heart and mind with all of you. God bless you abundantly.

‘Til Every Child Knows,

John Romano
