Dear Friend of *Camp Good News*,

*Camp Good News*<sup>®</sup> is a great place for kids. Many come to know the Lord as their own Savior right here on these grounds. Others learn to walk with Him, developing a closer relationship with Him. Every year there are a good number of children who surrender their whole lives to Him, some of them are in full-time ministry today.

I wish every child could have at least one week every summer at *Camp Good News*. With that thought in mind we try very hard to keep our prices reasonable. This week a year of junior camp will cost \$175.00 and our week of teen camp will cost \$190.00. Even at that price it is difficult for some families to send their children to camp. The truth of the matter is, that without a sponsorship many children would not be able to come.

I know there are probably some who take unfair advantage of our generosity. And yet, without that generosity, they would not send their kids to camp, and it is the kids who lose the great opportunity that *Camp Good News* provides.

We could not be generous without you. In reality it is your generosity that allows children to benefit from a week at *Camp Good News*. Your gift to our sponsorship fund allows us to do three things:

- To keep costs low for all campers.
- To provide a partial sponsorship for some.
- To provide a full sponsorship for others.

Some of you have already given to our sponsorship fund—thank you. Many of you wait to receive this letter of request before you give. Thank you for once again helping us provide what is for many children the very best week of the year. For many kids this will be the time the gospel is made clear, and a decision is made to trust in our Lord Jesus as their own Savior. Thank you, and may God bless you abundantly.

I do have another need to share with you. At the end of August, Eliza Daigle will be leaving for 12 weeks of training at our *Children's Ministries Institute*<sup>®</sup> in Warrenton, Missouri. The cost of that training is approximately \$5,000, plus travel expenses. This training is not only required, but also will be of great value to Eliza in her ministry with us. Eliza has become a valuable asset to our ministry at *Camp Good News*, and to our local chapters as she serves in our state office.

I appreciate your prayerful consideration of this need.

'Til Every Child Knows,

John Romano
