

SAMPLE LETTER

Dear Friends,

I have been given the wonderful opportunity to serve with *Child Evangelism Fellowship*® as a summer missionary through the College Bound Program. During the summer I will be serving at *Camp Good News*® in whatever capacity I am needed. Such duties could include being a counselor, waitress, or helping to teach a *5-Day Club*®.

As a staff member, my responsibility will be to help the campers have a wonderful, fun, and safe experience during their week at camp. Hopefully and prayerfully for each camper, it will be a life changing experience! I love watching campers learn new things about Christ, then continue to grow in their relationship with Him from what they have learned at camp.

I would like to ask you to pray for me because I will be very busy. Camp is a 24-hour, Sunday-to-Friday job, which can be very stressful and sometimes overwhelming. There will be 7 weeks of camp duties after receiving training at the 10-day *Christian Youth in Action*® training school. With God's grace and plenty of prayer I know I can make it through the summer. Will you pray for me?

This fall, I will be starting my freshmen year of college at the University of Southern Maine in Gorham. I will be majoring in elementary education, so camp will be a wonderful and helpful way to give me more experience working with children. I'm thankful that I have been given the opportunity to work on the College Bound staff. I am also trusting that God will provide for my needs to pay for college. My only income this summer will be supplied by God, through friends and family giving towards the College Bound Program. Will you be a part of my support team?

If you feel led to give financially, or you would like to pray for me, please indicate this on the response card. Thank you so much for your time and support.

Sincerely,
